Note: Should you have a loved one whose name you also would like to have read from the bema, please call the Temple Office.

Dear Friends,

This June, I offer to you and to Congregation Emanu El a loving and caring farewell. It has been my privilege to have led you and to served you during these 13 years, and I take my leave with appreciation and satisfaction, knowing that our lives have been touched by one another.

I appreciate the kindness which you showed to me and my family, as we grew and participated in Jewish life together. Your thoughtful support when I was ill, and your interest in the books which I wrote and edited following my diagnosis, and allowing me the opportunity to speak nationwide on those themes, have been significant to me and to my rabbinate.

I am grateful for the invitations which you extended to me to enter your homes and your lives to share intimate and important moments in your families and in your being. That trust is not lost on me, and I hope that, despite distance, it may yet continue. No less, your essential Jewishness - your willingness to learn and to engage, to study Torah, to lend support on December 24 or to travel to Israel with me - have gratified me and fortified me as a rabbi. Thank you.

And, I extend an appreciation to the wonderful staff which has surrounded me as I have served you - the office staff, bema clergy, educational colleagues and facility custodians; each has been a friend and a part of my daily life, and they exemplify what is wonderful about our synagogue life.

Let this departure be a fond farewell, one of Shalom and of Hope. L'hitra'ot - that there may be another time,

Rabbi Douglas Kohn

From Cantor Bern-Vogel

In June of 2009, my family and I relocated to California from Virginia to be closer to my husband's parents. Both Holocaust survivors, living in Los Angeles, my father-in-law suffered a stroke in December of 2008 which was the catalyst for our move to the West Coast. Two weeks after our arrival in June 2009, I started tutoring *Bnai Mitzvah* students at Temple Isaiah in Los Angeles (and haven't stopped since). In August, I was on my way back to Norfolk, Virginia, to conduct a wedding when I received a call at the airport in Cincinnati. It was Rabbi Douglas Kohn. My resume had already circulated to a couple of other synagogues but Rabbi Kohn had spoken with my colleague and dear friend, Cantor Adele Nicholson. Her voice had graced the Congregation Emanu El bema for three years during the High Holy Days and so it was she and Rabbi Kohn who encouraged me to come to Congregation Emanu El in (then) San Bernardino for an interview.

The rest, as they say, is history. If it weren't for Rabbi Kohn, I would not be at Emanu El. After leaving Ohel Sholom Temple (Norfolk, VA) and my colleague, classmate and friend, Rabbi Roz Mandelberg, I never thought that I would find another comparable clergy partner again - but soon realized, that indeed, with Rabbi Doug Kohn, I had not only a clergy partner, but also a friend. Doug is not only a rabbi with great intellect and integrity but also someone who fully respects the cantor's role on the *bema* and in all aspects of synagogue life. He is a rabbi who is willing to take risks and experiment with new worship ideas and music, possessing a

Dear Friends:

Once again, I am proud to invite our Congregation to attend the Bar Mitzvah services for two students, Drew Holder and Lucas Verschell, who I've had the pleasure for some months to hear chanting, observe studying and

sometimes find running about our administrative offices. Please show your support of our youth who have worked so hard to learn their Torah portions and prayers. They deserve this attention from us!

In an effort to learn more about your preferred method of obtaining information about service schedules, temple events, life cycle notices, clergy communications, etc. we mailed a survey to each household in our Congregation. If you haven't done so already, please take a few moments to complete the survey. You may either mail us the hard copy or access the web-based application via our website at:

<http://www.emanuelsb.org/survey>.

And, to Rabbi Doug Kohn....you've had a good run here at Congregation Emanu El and I wish you the very best in your new position. You've always been very supportive of my staff (Sarah, Jayme and now Nicole) over the years so we thank you for your kindness.

Robetta Darrow, Temple Administrator

From our Temple President

It has been another eventful year at Congregation Emanu El. As summer approaches we begin to move into a brief period of quiet prior to the start of the new Jewish year, a new school year, and, of course, the High Holy Days.

While much more will come regarding the High Holy Days, I wanted you to know that we have secured Rabbi Jordan Ofseyer for that important period. Although he enjoys his retirement in Palm Desert, he came highly recommended by several sources, including our Rabbi Emeritus Hillel Cohn. Michele and I recently enjoyed delightful conversation with Rabbi Jordan in Palm Desert at Sherman's Deli over matzah ball soup and corned beef sandwiches. I look forward to having Rabbi Jordan join Cantor Bern-Vogel on our bema as they lead us in prayer. Additionally, I am pleased that he will also lead our Friday night Shabbat service preceding the High Holy Days so that you have an opportunity to meet him.

They say that the only inevitable things are death and taxes. Well, they can probably add "change" to that short list. We have seen a lot of change in the last few years and will see more in the coming years. With that in mind, I invite you to join us as we bid farewell and best wishes to Rabbi Douglas Kohn, who has served our Congregation for the last 13 years. Please join us on Shabbat, June 13th, as we thank him for his service to Congregation Emanu El.

Paul Zipperstein, Temple President

Shavuot Morning Celebration of Torah

**Wednesday Morning
June 4
10:00 a.m.**

In our Tradition, the spring festival of Shavuot marks the commemoration of our Israelite forebears receiving the Torah at Mt. Sinai. It is the conclusion of the Spring trek from Passover, and Egyptian bondage, to Sinai and freedom.

This year at Shavuot, we will read from the Ten Commandments, discuss the meaning of those central commands, and discuss the idea of the festival season, concluding with Shavuot.

MENTAL HEALTH AWARENESS IN ACTION

Did you see the green ribbons last month as some of our congregants high-lighted Mental Health Awareness Month?

Though it's June now, it's never too late to begin learning and talking about the urgency of mental illness, and how we each can do something to help those with mental illness and their families.

At Friday services on May 9th, Jeff Spears spoke movingly about mental illness and told us a story from the Talmud about two rabbis. One suffered from depression and one came to sit with him and help him up. The rabbi who came to help brought his full presence and honesty to his friend's bedside; he came not to cure but to support him. Jeff reminded us how powerful our open hearts can be.

When Mental Health Awareness In Action met on May 22nd, we heard a different kind of story, about a very contemporary couple and their evolution as they coped with their son's mental illness.

Next time, we will have a new story, from someone living with mental illness. The goal of Mental Health Awareness In Action is to eliminate stigma through education and telling our stories. We intend that this social action group of Congregation Emanu El make a difference in our community. Please look for the date of our next meeting, and join us with your intelligence and energy.

I am very sad this year is coming to an end so quickly but I would like to thank all of the TYGER members who helped make our events and fundraisers a triumph! I am excited for our end of the year trip to Disneyland which is planned for Monday, June 16th. We will be leaving from Congregation Emanu El at 6:45AM and will be returning around 1AM. During the summer, we are going to have a "Lock In," as well as a Saturday night dinner and Havdalah service. More information about those two events to follow. Thank you again for all of the support TYGER received throughout the year. I am looking forward to making next year even better!

School News

This will be a short month given that the last day of SJL is Sunday, June 1st. I would like to welcome you all that day as we celebrate the end of the school year, full of happy times and memories. This month will also mark the end of my tenure as SJL administrator. I have really enjoyed my time at the school and hope that my efforts have helped your children grow as Jewish individuals over the course of the year.

I would also like to take this opportunity to thank Rabbi Douglas Kohn for all of his efforts and support throughout the year as well as in previous years regarding the school. This has been a very challenging time as the temple has undergone a period of transition. Despite this, Rabbi Kohn has never wavered in his commitment to the school and the students. He has always had their best interests at heart, particularly his confirmation students, and has imbued them all with a love of learning and Torah. I wish him well in his endeavors and great success for the future.

Regarding SJL, our last Family Shabbat Service of the year was held on the evening of Friday, May 23. The Hillel organization from the University of Redlands hosted the event and our SJL teachers were honored for their service during the school year in observance of Shabbat Hamoreh. I would like to express my sincere appreciation to the SJL faculty for all of their hard work and efforts this school year. Also, Rabbi Kohn and Cantor Jennifer Bern-Vogel will be conducting our Confirmation Service on the evening of Tuesday, June 3, at 6:00 PM. This will be SJL's last major function of the year, so we look forward to your participation that evening.

I wish you and your children all the best for the next school year!

Lucas Verschell June 28, 2014

My name is Lucas Verschell. I am 12 years old and in the 7th Grade at Cope Middle School in Redlands. My favorite subject in school is math. After I finish high school, I hope to go to college. When I am not in school, I enjoy snow skiing, riding my bike, swimming, boogie boarding and surfing. As you can tell, my favorite place to be is the beach! I also spend my free time playing video games and watching movies. My favorite movies are *The Hobbit* and *The Lord of the Rings*. I have been practicing the "very hard to learn" *Numbers 20:4-6* and my haffarah for my bar mitzvah. I am so excited for my big, special day with all of my family and friends!

Drew Holder June 21, 2014

My name is Drew Holder and I am in the 7th grade at Beattie Middle School in Highland. My favorite part about school is P.E. and playing basketball at lunch with my friends. Some of my interests include hanging out with my friends and family, drawing sports cars, collecting old coins and bills, and playing basketball. My absolute *favorite* thing to do is play soccer. I started with AYSO at age 5, and began playing club soccer all year round at age 9. I just joined a new team and really like the coach and players. I have been preparing for my Bar Mitzvah for a long time now and am getting excited for it! I hope you can share the experience with me by coming to the service and luncheon.

consciousness and awareness, that to engage in synagogue worship and Jewish study we often have to be willing to reach beyond our comfort zones in order to grow as individuals and as a congregation. This is not easy task – it takes vision and courage. Rabbi Kohn's ideas and programming have left indelible marks on the historical tapestry of this congregation and I feel blessed to have shared five fruitful and collaborative years together.

I will miss you, my clergy partner and friend, but wish for you and your family, only happiness, good health and contentment in the next chapter of your life and your professional career.

The Wonderful World of Sisterhood!

The year has finally come to a close so we will say “goodbye” to our out-going board and welcome our 2014 - 2015 Sisterhood board. This is a very exciting time of year for us as new ideas come forth and excitement for the year begins. All Sisterhood members are welcome to join us for this important in-out board meeting and enjoy a wonderful brunch at my home on Sunday, June 8th at 9:00 a.m.

To keep you up to date, each month I have been sending packages to our soldiers and I am pleased to announce they are receiving the packages and enjoying them fully. I have even been in email contact with Angelica, our deployed home front hero. In addition, the folks over at Childhood Cancer Foundation were thrilled with our donation of 19 blankets. They delivered the gifts to the kids at Loma Linda Hospital, and I am told the kids just loved them. Sisterhood provides so much to our temple community! It is also nice that we can provide this same kind of service to our greater community as well. Finally, we were able to give two of our School for Jewish Living kids, who are both first time campers, a full scholarship to camp and a small stipend to a third student. I am so honored that we can help send kids to camp. Camp is very expensive but the experience is priceless. Look for our Sisterhood membership materials in your mail this July and become a Sisterhood member. My goal was 100 members last year and we far exceeded that number. Let's increase our numbers to 120 in the coming year! Men are also welcome to become associate members.

Finally, to celebrate our accomplishments this year we held a Sisterhood Havdallah. This was a very moving and fun-filled night honoring the ladies who work so hard in support of our community. Thank you Sisterhood ladies and men for all of your support of Sisterhood, our temple and our community. The work we do is so valuable.

Enjoy your summer,
