Rabbinic Reflections

As I sit in my home feeling the cool Marina breeze watching the boats on this day of June gloom, my smile grows wide and I exhale thinking about what is on the horizon. In this moment I am so grateful for the incredible opportunity to be welcomed into your lives and your homes starting July 1st. My work is a sacred calling, one that I truly believe puts me in partnership with my divine purpose and with God. I want to thank you the *kehillah* of Congregation Emanu El and God for offering me and my family this incredible opportunity and the awesome experiences that await us.

I have always been a counter cultural individual. You might point to my earthy tendencies, my love of alternative medicine, or my deep connection to the arts as a spiritual practice to prove that idea. But I've learned over the years to follow my heart, stay close to God, and be humble and loving to all. What I dream for our community grows out of these teachings. My vision for our community comes from five pillars that I outline below and that I do my best to practice in my everyday life.

Together we will build a *Kehillah*, a community that is connected through experiences of joy and pain, through learning and love. Those connections are the most important part of our work in the years to come. Every human being craves connection and belonging. Our synagogue will be a place where every person matters. As we pray, learn, serve, and plan together we must foster an environment where each individual is seen and treated as a reflection of God, *b'tzelem Elohim*.

Ahava, love, must be a value that we embody. As we join hands and hearts, we will become a welcoming community embracing every individual and family that chooses to walk through our doorways. With kind words, just actions, and gentle outreach we will exercise acceptance, and practice offering unconditional love for all humankind.

Tzedek, Justice, reminds us to act accordingly in the world, in our Jewish and non-Jewish communities. Together we will stand up for our beliefs and serve those who are less fortunate. Together we will take small steps to bring repairs to what is broken, services to the needy, and justice for those unable to fight for themselves.

Torah, which I will translate loosely here as learning, compels us to never stop learning, always strive to grow and connect with that which is divine. In our sacred texts we study our peoples history, the origins of our holidays and rituals, and glean how to best behave in our ever changing world. We can wrestle and grapple with challenging concepts and hear the voice of God. The act of learning is a holy one that often reveals new insight and perspective.

Emanu El, our congregations name means, "God is with us." It reminds us that we are not alone on this journey. God and spirituality are at the center of what we do. What guides us is a power greater than ourselves, which can only be experienced in partnership. Together we will strive to create moments where we experience, hear and feel that divine support and strength that is always available for each and every one of us.

I pray that in the months and years to come, together we will be able to weave a sacred *kehillah* built brick by brick with Love, Justice, Torah and God. Please reach out to me in the coming days and months; so, we can begin to weave our strong threads of connection.

*B'Ahavah with Love,
Rabbi Lindy Reznick*

Welcome Rabbi Resnick!
Ma Tovv Ohalecha Ya'akov,
Mish'kenotecha Yisrael!
How fair are your tents,
O Jacob, your dwellings,
O Israel!

Balak 23:5

Dateline: JULY 1ST, 2018 –

What a special day, as Rabbi Lindy Reznick officially begins her service with Congregation Emanu El! With only two summer months until Rosh Hashanah, there will be much to do and plan, people to meet and of course, boxes to unpack! I have complete faith in the many amazing people in this congregation who will pitch in and be there to help Rabbi Reznick ease into the transition.

As for Ira, Sam and me, on **July 1st** we will be on our way to London to visit family for a week and celebrate my mother's z.l. 'little' sister's 93rd birthday. It will be a time of great reunions, holding some brand new babies and Sam meeting some of his cousins for the first time. We will take the train to Amsterdam through France and Belgium and have three quick days reuniting with many old friends, topped off with parties in Hannover and Berlin before we return on **July 12th**. I look forward to seeing you, albeit jet-lagged, on July 13 and 14th to join Rabbi Reznick for our first services together!

IMPORTANT: IF you are interested in chanting/reading Torah or Haftarah portions for Rosh Hashanah and/or Yom Kippur please contact me **ASAP!**

*B'shalom,
Cantor Jennifer Bern-Vogel*

Presidential Perspectives

Since its charter in 1891, Congregation Emanu El has been served by seven Senior Rabbis: Rabbi Solomon Margolis (Briefly in the 1920's); Rabbi Jacob Alkow (1932-1937); Rabbi Norman Feldheim (1937-1971); Rabbi Hillel Cohn (1963-2001, 2014-2015); Rabbi Douglas Kohn (2001-2014); Rabbi Jay Sherwood (2015-2017) and Interim Rabbi Darryl Crystal (2017-2018).

On July 1, 2018, Rabbi Lindy Reznick will become Congregation Emanu El's *eighth* Senior Rabbi. For a congregation steeped in a beautiful 127 year history, it should be considered remarkable that such a small number of Rabbis have served our congregation. It bears noting that Rabbi Reznick will be this Temple's first female Senior Rabbi. And while rabbinic leaders are always chosen for their ability to successfully lead a congregation, and not because of their gender, I believe the hiring of Rabbi Reznick signifies a fresh and unique beginning for this congregation; one which builds on its legacy as a forward-thinking, and inclusive community.

When Rabbi Reznick arrives we look forward to welcoming her as we move into the future with a renewed perspective that views the world and our community through a lens very different from years past. As President of this congregation, I take great pride in leading such a warm and accepting community which upholds the ideals of inclusion and acceptance for all, including those of Inter-marriage, Interfaith and the LGBT community.

We have much work to do in order to carry on our rich legacy and heritage.

I hope you will join me in continuing to honor the Jewish people through your continued support of this historic congregation, one which embraces change and diversity, as it strives to remain relevant and meaningful now and for the generations to come.

L'Shalom,

Greg Weissman

Treasurer's Report

Shalom!

I am honored to assume the role of Treasurer of Congregation Emanu El. While I have had the honor of previously being on the Board of Directors for two synagogues, it is a special privilege to now serve in such an important role at Emanu El. The Temple has been so welcoming to me and my family that it is gratifying to now be in a position to lend my efforts to ensure our Temple home is as financially viable as possible.

I look forward to meeting more of the members of the Congregation. My husband, Jeffrey, and I live in Yucaipa, CA. We have two wonderful children, Jessica and Joshua, who are both graduates of college and live outside the Inland Empire.

I currently work part-time as a tax accountant for TABS, Inc. in San Bernardino. I am an active CPA and have over 20 years of experience as an auditor, controller, and staff accountant for both Public Accountant Firms, for profit establishments, and non-profit corporations. Both my Bachelor and Masters of Science were in Animal Production (I wanted to be a veterinarian!), and I have a Certificate of Accountancy that enabled me to qualify for the CPA exam.

Jeffrey and I have enjoyed Shabbat services, High Holiday services, and many of the events that have taken place at Congregation Emanu El in our short time here. This is a beautiful congregation with many active and engaged members. As Treasurer, my responsibility is to see that the funds raised by the members are spent according to the budget and spent responsibly.

Please remember that our Temple relies on your pledges and donations to keep the "doors" open. It is comforting to know that when I am able to attend services that our Temple home is there. When life cycle events occur, both happy and sad, it is comforting for me to know that there is a Rabbi and Cantor available to officiate at a Naming ceremony, a Bris, a Bar/Bat Mitzvah ceremony, a Confirmation, a Wedding, and/or at a Funeral. To have that availability means we need to support our Temple 365 days a year and for years to come. Please stand up and be counted – give as generously as you can – show your pride in our Congregation and the history of Temple Emanu El in the Inland Empire.

Sincerely,

Kathy Rosenfeld

All Sisterhood Members are welcome

From Our Director of Education & Youth

Shalom Emanu El families!

We have had a lovely year at the School for Jewish Living. I can't believe it's already summer! I want to thank the parents who came to help honor our teaching staff on June 3rd.

Our teachers felt your love and it was a great way to say goodbye to those who are moving on. A big thank you goes out to Rabbi Crystal and Rabbi Reznick, who added warmth and wisdom to our ceremony. Another thank you to Sisterhood, who presented gifts to our SJL staff. What a wonderful community we have!

We capped our year off with a picnic brunch at Ford Park on June 10th. It was a fun and relaxing way to say goodbye to classes until we begin our next school year.

I will be working with Rabbi Reznick over the summer to improve our school and our programs. I look forward to creating meaningful curriculum and enriching activities for our students. I hope to see all of our students from time to time over the summer and I hope everyone has a great school break!

Lehitraot - until we meet again,

Mental Health Awareness in Action

THANK YOU FOR WEARING YOUR GREEN RIBBONS DURING MAY, MENTAL HEALTH AWARENESS MONTH

Were you in temple to hear our congregants speak from the Bimah? Heidi Nimmo and Grace Harris moved us and inspired us. You will soon be able to find their words on our Congregation Emanu El new website, coming soon.

As individuals and as a congregation, we will not be silenced by stigma. We will speak and we will listen to each other. We might feel that we are sometimes on a narrow bridge, but we will not be afraid.

We also will take the steps to bring ourselves and those near us into mental well-being. If that involves getting professional help, we will do that and encourage family members and friends to do that. If offering an ear and a sympathetic heart is needed, we'll do that. Or going for a walk in mountain woods, or on our local trails, a jaunt to the sea, doing yoga or t'ai chi, chatting over coffee....or finding whatever small, healthy thing gives us a lift and soothes our minds and hearts. There's not a one of us who wouldn't create a better life for ourselves if we made sure we did those special small things every day, and maybe said at least one blessing.

And please don't put away those lime green ribbons until next May. All year is the right season to talk about mental health.

WHAT CAN WE DO TO HELP THE MIGRANT FAMILIES THAT ARE SEPARATED?!

Our hearts are breaking as we learn about families who are trying to come to the United States in search of a better and safer life but are being separated and imprisoned at the US southern borders. We all want to step up and help these immigrants but how can we do this? This soul searching can be overwhelming especially for those of us at Congregation Emanu El who feel compelled to do something to help. Our Jewish tradition teaches us that *tzedakah* is a mitzvah, a religious obligation. The word is derived from the Hebrew root meaning “justice” and “righteousness.” *Tzedakah*, conceived as justice, means that the needs of the recipient lie at the heart of our concern. Many passages in the Torah instruct us in the value of *tzedakah*. In Deuteronomy 15:7-8 we are instructed, “If there is a needy person among you...do not harden your heart...Rather, you must open your hand and lend whatever is sufficient to meet the need.”

The Religious Action Center of Reform Judaism has quickly taken action. Leaders of our movement joined with a delegation of interfaith leaders to survey the conditions first hand at the southern US border. Temple Emanuel in McAllen, Texas is facilitating the collection and distribution of new or gently used items. We are asking our community to collect the following items and bring them to the congregation by **July 15**.

- Pedialyte
- Deodorant for men and women
- Blankets
- Women's underwear in sizes 5-6
- Women's bras and sports bras in 32-36
- Maternity pants
- Women's pants in sizes 7 and below
- Women's tops in small sizes
- Women's shoes in sizes 5-7
- Men's shoes in sizes 7-8
- Children's shoes in all sizes, particularly athletic shoes
- Toiletries (must be new)
- Children's toys

We will then box up all the items and forward the packages to Temple Emanuel. An additional request ... if anyone is interested in underwriting the expense of mailing the packages please let us know.

Thank you for your support. If you have questions or additional thoughts of what Congregation Emanu El can be doing for the migrant children and families just reach out to one of us.

Congregation Emanu El presents...

A new chapter in our history!

Congregation Emanu El
begins a new chapter in our
history with the adoption
of the new Reform High Holy Day
prayer books,
Mishkan Hanefesh

Members of the Congregation have an opportunity to invest in the future with the purchase of prayerbooks for the sanctuary. Each prayerbook will be inscribed with a bookplate to honor your contribution.

The Congregation is honored to have received a generous donation of 100 prayerbooks from Kerry Wolk and Lisa Wise-Wolk in loving memory of Evelyn and Lazarus Wolk, but we need over 150 more copies!

From the introduction to Mishkan Hanefesh:

What is the meaning of the name Mishkan HaNefesh? In the Book of Exodus, we read that artisans designed and built a mishkan — a dwelling-place or sanctuary — for Israel's communal worship of the God who wrought the miracle of freedom. The word nefesh usually means soul or person. One way to translate Mishkan HaNefesh is "Sanctuary of the Soul," which suggests that each person's spiritual quest happens within the holy space of the Community.

We hope that this *machzor* will be a "meeting place" for the inner life of each individual, the warm embrace of community, and the sacred traditions of the Jewish people.

May this book be a source of healing and repair; and may it provide nourishment to meet the spiritual hunger of our times.

*Thank you for your generous donation of prayerbooks for our Congregation.
Please make checks payable to Congregation Emanu El.*
