older and disabled  
adults**

**To request food pantry  
services, call (800) 510-2020  
or (909) 891-3810**

The Department of Aging and Adult Services (DAAS), in collaboration with Community Action Partnership of San Bernardino County, has established the DAAS Food Pantry program to help address the dietary and nutritional needs of older adults and disabled adults in the community. Under the federal Emergency Food Assistance Program, DAAS is distributing food items to those in need of shelf-stable food items.
