## Cantorial Comments

*TEACH US TO USE ALL OF OUR DAYS,  
THAT WE MAY ATTAIN A HEART of WISDOM*

Psalm 90:12

And poof - just like that, it's 2025! In our Jewish tradition, the High Holy Day season marks the spiritual ending and beginning of our new year but we also live by the secular calendar.

In my 30 years of clergy and pastoral/chaplaincy, I have frequently observed the seasonal changes as a common transition in people's lives, a time of letting go at the end of life or following an illness, despite their age. Each new year has the opportunity for a fresh start but is also a reminder of the passing of time and how important it is to make our days count. The more we learn and prepare for death, the more we can live our lives with purpose, without fear.

Beginning Sunday, January 12th, at 10:30 a.m. we will be launching our **Adult Ed END OF LIFE SERIES - Where there's Will....there's a Way.**

The January session will be led by Elder and Estate Lawyer, **Esther Wong**, who will also discuss affordable Wills and Trusts.

In February, Past President and Cemetery Chair, **Paul Zipperstein**, will discuss and answer any and all questions related to cemetery planning and arrangements.

In March, we will have the long-awaited and promised *Death Cafe* which I will be co-leading with **Nancy Sidhu**. At a Death Cafe people drink tea, eat cake and discuss death, with the aim of increasing awareness of death without any objectives, themes or agenda.

To enhance this series, I encourage you to tune into a zoom series from Temple Aaron, Trinidad, CO. This Adult Ed class is entitled *Jewish texts and tradition focusing on the challenges, joys, and possibilities of growing older* will be presented by **Rabbi Richard Address**. To register for this series, simply RSVP by emailing [ac@templeaaron.org](mailto:ac@templeaaron.org) and they will provide the zoom link.

## Presidential Perspectives

As we stand on the threshold of 2025, I am filled with a deep sense of gratitude and optimism for the journey ahead. It's an ancient tradition in our faith to welcome each new year, religious and secular, with open hearts and open minds, reflecting on the past and renewing our commitment to the future. And so, as your Temple President, it is my honor to wish each and every one of you a year of health, joy, and meaningful connections.

As during the High Holy Days, now is not only a time for introspection but also an opportunity to come together as a community — to lift each other up, to share our hopes, and to strengthen the bonds that unite us. This past year has been one of growth and transformation for our Congregation. We have seen new faces join our community, we've deepened our relationships, and we have had the privilege of witnessing the spiritual journeys of so many of you.

As we look forward, I am filled with hope for the year to come. I know that together, we will continue to create a space of warmth and belonging, a place where we can celebrate life's joys and support one another through life's challenges. May this year bring new opportunities for each of us to learn, grow, and give back to our community and the world in meaningful ways.

May Congregation Emanu El continue to be a beacon of light and compassion, not only for our own congregation but for the wider community. May we always remember the values that define us as Jews — justice, kindness, and the pursuit of peace — and may we strive to live them in all that we do. May it be a year in which we draw closer to one another, to our traditions, and to the Divine. May we find strength in our unity, and may we continue to bless each other with love, patience, and understanding.

With warmest regards and deepest blessings,

*Greg Weissman*

## Treasurer's Report

Happy New Year! Welcome to 2025. Another year to look forward to the programs, activities, social events, learning opportunities, and spending time with friends here at Congregation Emanu El.

Plan on being at Shabbat Services on, January 17th, when we will honor Martin Luther King, Jr. with guest speaker Bishop Jackie Green of Village SBC Baptist Church of Redlands.

We have several Adult Ed opportunities starting this month; see detailed information in this Bulletin.

We continue to be fiscally stable. We have to thank the generosity of our members and many non-members who are supportive of our Congregation. We are very fortunate to have a very caring community.

May 2025 be a wonderful year for us all!

### Friday, January 3, 2025 Rabbi Cohn will speak on "The Jew of the Year 2024"

On Friday evening, January 3rd, our Erev Shabbat service will be led by Rabbi Cohn. His sermon will be "The Jew of the Year for 2024." Beginning on the first Shabbat of the secular year in 1975 Rabbi Cohn began his practice of announcing his choice of a "Jew of the Year" and has continued that practice over the years. Based on the custom of Time magazine to choose a "person of the year" each December, Rabbi Cohn shares his choice of a "Jew of the Year" with our congregation. Those attending our service on January 3, 2025, either in-person or virtually, will surely find Rabbi Cohn's sermon to be of interest.

## From Our School for Jewish Living

Happy secular New Year! SJL had a fabulous first half of our school year. December was very fun. The students learned new songs, *tefilah*, made crafts, played Gaga, and had a joyous Pokemon party at the end of the semester hosted by their parents. Thank you parents! In January we will focus on the value of *achrayut*. For our students this will mean discussing our Jewish value of responsibility toward individual people, society in general, and the environment in which we live. We will discuss questions about acting responsibly even when it might be tough; how to acknowledge others in need in a kind way, and the difference between rights and fairness. May you all find joy in 2025.

With Love,  
Miss Ilene & Miss Karyn

Dorot (“Generations” in Hebrew)

The idea is rather simple and not revolutionary – young people helping their elders. Yet what Dorot has done with it left us dizzy with their offerings and scope of work.

It all started in 1976 when some graduates of Columbia University’s social work program wanted to help older adults in New York City. This was before most of the studies had been done on how damaging social isolation is for people. But they began visiting seniors in New York City’s Upper West Side. As the name implies – Dorot means “Generations” in Hebrew – it was a Jewish thing. Those personal visits were the center of its power – we all need personal embodied connection. But Dorot grew in scope – creating small community gatherings often with an educational element to them or healthy activity. It also hired a professional staff, and by our times, it was helping thousands of Jews and non-Jews, and had thousands of volunteers.

As we well remember, things had to alter as COVID landed in our 2020’s. More of Dorot’s offerings were on Zoom and by phone. They also expanded their reach to involve the larger New York City area and even into Westchester County, and then even to Washington, D.C., and beyond to Canada, England, and Israel. They began working more closely with other groups like the Interagency Council on Aging, Generations United, and Coalition to End Social Isolation.

Since 1976, “social isolation” has been mentioned and studied and it’s not something only single seniors are troubled by. We see terrible loneliness even in young people now. So, it occurs to us that Dorot is living up to its name – it is helping all the generations. Not only do old people need those personal friendships regular visits can offer, but screen dominated young people also need face to face, caring,

compassionate, regular time with others. We’d bet the first volunteers never thought of that.

Nor would they have imagined that in December 2024, they would be offering nearly a dozen different programs on a given day, some in person, most on Zoom. Let’s take Dec. 9, for example – chair yoga, French conversation, Chasidic Williamsburg, Qigong, chess, issues in the news, brain games, mindfulness, story circles, and the poetry of song lyrics. (Nancy is particularly sorry to have missed this last one on Zoom). And that’s just one day in the month!

Not very long ago, our Surgeon General Dr. Vivek Murthy and the World Health Organization urged all of us to create activities to bring us together to help lessen loneliness, to allow more joy and satisfaction into our lives. Dorot is one magnificent example of how to do it. But we know there are Chatty Benches, community centers, all kinds of programs. And this is something we can all participate in. Let’s get out, be local, and mingle together. That’s how we’re meant to be – together.

Mental Health Awareness In Action (MHAIA)

## Our Rabbi Emeritus Hillel Cohn in the Community

November-December 2024

Continuing the long and notable tradition of the leaders of our congregation promoting positive interfaith relationships, supporting worthy community endeavors, and being prominent regionally and nationally, in addition to serving the needs of our own members, our Rabbi Emeritus Hillel Cohn has been involved in numerous activities over the last two months (November-December 2024), bringing honor and recognition to Congregation Emanu El. Among them are:

Dr. Goler is a past-president of our congregation (1988-1990) and was a recipient of the Rabbi Norman F. Feldheim Award (1994).
- As a regular participant in the Priest-Rabbi Dialogue, a monthly meeting of the Archdiocese of Los Angeles and the Board of Rabbis of Southern California, Rabbi Cohn presented Jewish Views on Alcoholism and Drug Addiction.
- Rabbi Cohn is part of a group of rabbis from around the country who are working on the creation of a new prayer book incorporating a “naturalist” theology. He meets with this group regularly.
- Attended meetings of the Development Committee of Planned Parenthood of Orange and San Bernardino Counties as well as the Board of Directors of PPOSBC of which he is a member.
